Apartment.

burghe-Activities of Americans Abroad.

LONDON, May 11. Probably no function e his accession, not even the durbar. leased King George more than the review which has just been conuded. The King is a keen sailor before verything else. The review was not a re display of naval pageantry, but a is ness appointment and was treated such by all concerned. The fleet was of the largest ever assembled and ras carried on under the King's inspecn as Admiral of the Fleet. There were squadrons of eight battleships each and there was a supplementary cruiser squadron with a flotilla of destroyers and

marines in each division. There were many side issues. Besides king his first trip in the submarine D-1 s Majesty watched the debut of a flying her daughter, Gladys, the Countess ne in the British navy when Horace t's waterplane made its appearance. he machine realized all expectations can remain aloft for seven hours. It tree or four passengers. It is easily daptable to carry six or seven. Comirty-five mile wind when the machine House cas tested in a nasty sea on Wednesday and the planes were never submerged.

PRINCE OF WALES A MAN. ajority on June 23, when he will have season s own special household and large suitably appointed and set apart Buckingham and Windsor palaces. Queen Mary will personally superintend the furnishing and decoration of these ise the occupations and pursuits ell as a large staff of servants at special ages and coachmen and grooms.

be able to entertain his friends at season une 22, the Prince of Wales will be able Cornwallis-West. egally to take the King's position in an The marriage of R. E. Alsop of New dent last summer.

Cyres, the only son of Lord Iddesleigh, to Dorothy Morrison, daughter of Alfred Morrison, who was a brother of Charles Morrison of Basildon Park, Reading, Charles Morrison died a few years ago, entirely unique outside of a party circle of his acquaintances in the city.
After his death his fame became world-

Imported Hand Made Lingerie Waists. Also Reproductions of French Waists.
Also Very Fine Chiffon Waists.

\$12.50 to \$22.50 Values for

WE SHALL HAVE SOME TWO HUNDRED WAISTS to sell at \$6.95 that are extraordinary values for that price—that have had value duplicates in our own stocks for \$12.50 to \$22.50 this season.

There are hand-made batiste Waists from Paris, beautifully embroidered and lace trimmed. In some the hand embroidery covers sleeves as well as yoke. In some the laces used for trimming are hand-made filet or hand-made Venise. Still others are trimmed with Cluny or Irish crochet.

Some show the side frills that Paris favors at this minute. One dainty kimono style is hand embroidered and trimmed with dozens of tiny linen buttons and crochet lace insertions.

In addition to the lingerice Waists are chiffon Waists in black on white and wide black and white stripes. One model has square collar of shadow lace edged with band of satin. Another has pointed collar of embroidered net. One has a white satin vest and there are numerous other styles.

The handsomest Waists that we have known for such a small price—but there are only 200, so early choosing

WITH THE MAKER OFF TO EUROPE WE HAVE HIS \$25 to \$35 Tailored Suits at \$14.98.

Two HUNDRED NEW SUITS, just out of the workrooms of one of the cleverest makers in New York. He is off to Paris now to study and plan for his autumn business. Before he went he wished to leave his workrooms free of stock and so we had the opportunity that results in this fine sale.

The Suits are as attractive as any you will find for \$25 and \$35.

They are of linens, blue serges, taffeta silks, ratines, rough pongees, pencil stripes and all sorts of handsome mixtures.

They are made up in reproduction of many of the smartest new Paris fashions: some very plain and others trimmed. Coats are lined with soft satins. Every detail of making and finishing it, but as it should be in a fine Suit that would sell for \$25 or more.

We have two hundred to sell tomorrow at \$14.98 and the event is a great opportunity for the woman who likes plenty of new clothes.

Astonishing Sale of Summer Embroideries 15,000 Yards for Wonderfully Small Prices.

THE WET AND COLD WEATHER and the backward season in consequence has left importers with loaded stock rooms. Now the time has come when they must turn attention to fall and winter plans and a wise determination to unload the surplus stocks has resulted in our making one of the largest and most remarkable Embroidery purchases in our history.

With the advent of summer, with the near appreach of Anniversary Day, with the coming commencements and the numerous needs of June brides, this Sale cannot help but find a ready we ome, and when women see the Embroideries and note the marvelously little prices enthusiasm will run high.

Special tables, as well as the regular Embroidery Departmen, on the main floof, will be devoted to the Sale.
